Mr. Ernest J. Wesolowski
1416 Pasadena Avenue
Omaha 7, Nebraska

Dear Mr. Wesolowski:

This is in response to your letter of September 16th., which we were happy to receive.

Regarding the location of our studios and transmitter; the studio is located down-town New Richmond and thetransmitter is located two and nine-tenths (2.9) miles south of New Richmond. The transmitter is a rehashed Raytheon: Model 5A/RA.

The frequency check was completed on September 16th.

0015 CST	1590 Kc.	1.8 cps low
0100 CST	"	1.7 cps low
0119 CST	"	1.7 cps low

Thank you very much for your nice letter and stay tuned for the "Swingingest station at the top of the nation".

Very truly yours,

J. W. Jones
